

TSGi helped raise \$20,000 for the Animal Defense League (ALDF)!

The ALDF's 5th Annual Ben's Cruise for Compassion, hosted by Jack Russell, Ben (the store dog of Paws Pet Boutique in downtown Annapolis), raised \$10,000. TSGi was a sponsor of the August 19th cruise on the Harbor Queen that departed from Annapolis City Dock - and committed to match all the money that was raised at the event!

"This little Jack Russell, Ben, who was represented and rescued by ALDF in the Woodley hoarder/puppy mill case, has become quite an inspiration! Once yellow and terrified, now fluffy white and politely reserved (although certainly not afraid to speak up), Ben is a beautiful example of why it is so important animals have a voice through ALDF."
