Dear Mom Nancy and the SQUIRES CO.

My name is Nannyanzi Joeria. March 29TH. I will be making 26 years. Am writing to you with sincere gratitude. Thank you so much for the computer that you sent for me.

I am one of the Nancy Girls, I was a student of Yesu Akwagala High School, Bukulula Girls and finally Kyambogo University where I pursued a diploma in Microfinance. I graduated in 2015 and now I have been employed as a Banking Officer / Cashier in DUCKHILL MICROFINANCE.

I am working from West Nile ie where the western arm of River Nile goes. Am so grateful for what you have offered to me. Right from my studies and up to where I am. The computer will help me in my reporting on a monthly basis.

Am so honoured to have you and thank you so much for the help that you have offered unto all children in UGANDA.

Am so inspired by very big things beyond my measure and I know I will get there. I want to continue with my profession and as well as my natural gifts of singing. And you people have taught me how to live besides so many things. Special thanks to AUNTY JUBY, she is a mother, a friend, a sweetheart and so many I may name.

I know that by God's grace, all your heart desires will be fulfilled and I as well will get their for I know you definitely wish me so well. I love you all and
MAY GOD KEEP AND BLESS YOU SO MUCH.

YOURS FAITHFULLY

NANNYANZI JOERIA
